ARTICLE IV
Grievance Procedures

A Definitions

Grievance - A grievance is a claim by any employee of an alleged violation, misinterpretation, or misapplication of a specific provision of the Agreement.

Aggrieved Person - An "aggrieved person" is a person, or persons, or the Association making the complaint.

Party of Interest - The employee, or group of employees, administration, or School Board may be represented during any step of the procedure by any person or agent designated by such party to act in his behalf.

B Procedure

1. Purpose - The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances which may from time to time arise affecting employees. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Time Limits - The failure of any individual or group of individuals to institute this grievance procedure within twenty (20) school days of the alleged grievance will automatically cancel that alleged grievance and any further appeal for the same. The failure of the appropriate administrator to render a decision within the specific time limits shall permit the grievant to proceed to the next step. Time limits at the level steps may be extended by mutual written agreement.
3. Class Grievance - Class (school wide) grievances involving more than one principal may be filed by the Association at level three within twenty (20) school days of the alleged grievance. A copy must be filed with each principal in order for the grievance to be valid.

ARTICLE IV
Grievance Procedures (2)

C. Steps

Level One - Principal or Individual Supervisor (Informal)

An attempt shall be made to resolve any grievance in informal, verbal discussion between the grieving employee and/or the Association and the building principal.

Level Two - Principal (Formal)

If a grievance cannot be resolved informally, the aggrieved employee shall file the grievance in writing with the building principal within (10) working days after the informal conference with the building principal. The written grievance should state the nature of the grievance, shall note the specific clause, or clauses, of the grievance, and shall state the remedy requested. The principal shall make a decision on the grievance and communicate it in writing to the employee and/or the Association and the Superintendent within ten (10) working days after receipt of the grievance.

Level Three - Superintendent

In the event a grievance has not been satisfactorily resolved at the second step, the aggrieved employee shall file, within five (5) working days of the principal's written decision at the second step, a copy of the grievance with the Superintendent. Within ten (10) working days after such written grievance is filed, the aggrieved and the Superintendent shall meet to resolve the grievance. The Superintendent shall file an answer within ten (10) working days of the third step grievance meeting and communicate it in writing to the employee and/or the Association and the principal. If the aggrieved employee and/or the Association is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within ten (10) working days of receipt of said grievance, the aggrieved employee and/or the Association may transmit the grievance to the Board by filing a written copy with the secretary or other designee of the Board. (The aggrieved employee and/or the Association or the Board may bypass Level Four and proceed directly to Level Five.)

ARTICLE IV
Grievance Procedures (3)

Level Four - Board of Education

The Board, at its next regular meeting, may meet with the aggrieved employee and/or the Association on the grievance. Disposition of the grievance shall be made in writing by the Board no later than seven (7) working days after said meeting. A copy of such disposition shall be furnished both employee and/or the Association.

Level Five - Arbitration

1. If the aggrieved employee and/or the Association is not satisfied with the disposition of the grievance by the Superintendent or the Board, or if no disposition has been made within the time limits prescribed, the aggrieved employee and/or the Association shall meet within five (5) working days of disposition of the grievance to discuss the merits of submitting the grievance to arbitration.
2. If the grievant and/or the Association determine that the grievance is meritorious, a request to submit to arbitration must be in writing, signed by the aggrieved party, and must be filed in the office of the Superintendent within five (5) working days following the decision to file.
3. No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.
4. The arbitration proceedings shall be conducted by an arbitrator to be selected by the two (2) parties within seven (7) days after said notice is given. If the two (2) parties fail to reach an agreement on the arbitrator within seven (7) days, the parties shall immediately and jointly request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators, but upon the event seven (7) are not available, five (5) will be used. Each of the two (2) parties will alternately strike one name at a time, with the party requesting the arbitration striking first. The last person remaining shall be the arbitrator. The arbitrator shall be notified of his selection by a letter from the School District or the grievant and/or the Association requesting that he set a time and place, subject to the availability of the Board, grievant and/or the Association.

ARTICLE IV
Grievance Procedures (4)

5. The grievance shall be heard by a single arbitrator and both parties may be represented by such person, or persons, as they may choose and designate, and the parties shall have a right to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator.
6. The arbitrator shall attempt to submit in writing his decision within thirty (30) days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension thereof. The arbitrator's decision shall be based solely upon his interpretation of the meaning or implication of the express terms of this Agreement to the facts of the grievance presented and the decision will be binding on the parties.
- 18D. Miscellaneous
1. Improper Filing - If an employee or the Association files any claims or complaint in any other form than under the Grievance Procedure of this Agreement, then the School District shall not be required to process the same claim or set the facts through the Grievance Procedure.
2. Costs - The costs for the services of the arbitrator, including per diem expenses, if any, travel, subsistence expenses, and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.
3. Representation Rights - Any alleged aggrieved person may be represented at all stages of the Grievance Procedure by himself, or, at his option, by a representative of the Association. The Administration may be represented by any person or agent so appointed.
4. Meetings and Hearings - All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties of interest, and their designated or selected representatives.

ARTICLE VI
Grievance Procedures (5)

- 1 5. Separate Grievance File - All documents, communications
2 and records dealing with the processing of a grievance
3 shall be filed in a separate grievance file and shall not be
4 kept in the personnel file of any of the participants but
5 shall be open to inspection by the grievant upon request
6 and at reasonable times, which inspection shall be limited
7 to the particular grievant's personal grievance file.
8 There shall be no unauthorized release of personal
9 grievance file contents without written permission of the
10 individual employee.

ARTICLE V
Staff Reduction (2)

- 1 2 Any employee laid off may engage in teaching, or any
2 other occupation, during such period, and such layoff will
3 not result in a loss of credit for years of service in the
4 District earned prior to the layoff.
- 5
- 6 3 Any employee re-employed by exercise of recall rights
7 will be reinstated at the same salary, related benefits,
8 and experience as if their last year of regular
9 employment had been the year immediately prior to the
10 year of re-employment (e.g., if at the time of layoff, the
11 employee was on Step 10, employee upon re-employment
12 would proceed to step 11.)
- 13
- 14 4 Any employee who, for reasons of staff reduction or
15 realignment, resigns upon request or is laid off for such
16 reasons, shall be accorded the recall rights provided by
17 this Article unless specifically waived in writing by the

20 currently retain such rights.

- 22 5 Notice of recall will be given by registered or certified
23 mail to the last address furnished to the Board by the
24 employee. It is the responsibility of the employee to
25 update his/her current address each year. A copy of
26 such notice of recall will be furnished to the Association
27 by personal delivery or ordinary mail. If the employee
28 fails to respond within ten (10) days after mailing of the
29 notice of recall, the employee will be deemed to have
30 refused the position offer.

35 continuous service with the Steamboat Rock Community
36 School District, Wellsburg Community School District, Ackley

9 Right to Grieve

An employee has the right to respond in writing to any evaluation documents. The employee shall have the right to receive a copy of any of the evaluation documents.

In any proceeding in which the School District attempts to use past evaluations to justify adverse action taken against a teacher, including such adverse action as withholding a step increase, suspension, termination, layoff or placement on probation, the teacher or the exclusive bargaining representative may challenge the fairness and accuracy of such past evaluations.

All time lines as they pertain to filing a grievance are hereby waived in regards to challenging past evaluations once adverse action is taken by the School District. In the arbitration proceeding, the School District has the burden of proof by a preponderance of the evidence to prove the fairness and accuracy of such past evaluations.

10 Abuse

It shall be the policy of the Board/Administration to immediately notify any employee as soon as the Board/Administration is aware of any possible abuse charges brought by any party against a staff member and keep said members informed of any and all proceedings.

Employees on the salary schedule shall be granted one (1) increment vertical step on the appropriate salary schedule on the appropriate educational lane for each year of employment to the maximum step on that educational lane. Teachers who complete the necessary college semester hours which will move them from one educational lane to a higher educational lane on the Salary Schedule shall move to the proper vertical step on the higher lane. In order for an employee to advance from one educational lane to the next, the employee must complete the necessary hours in their teaching field. For hours outside their field, the employee must get prior written approval from the Employer. Movement to a higher educational lane will be made once annually, at the September pay day. An official transcript of the college semester hours and/or degree completed must be submitted to the Board Secretary in the School business office no later than September 10. If an official transcript for a teacher is unavailable by September 10, the teacher's copies of the grade reports and/or a letter from his/her college's or university's registrar stating that credit has been awarded will be accepted as temporary proof.
